

THE TAHER PACHA'S TROPHY

founded in 1950 by H. E. Mohammed Taher Pacha, member of the I. O. C. for Egypt, is to be awarded annually by the I. O. C. to an Athlete who has, or who has not, competed in the Olympic Games but whose general merit and career justify the award of a special distinction in the name of Olympism. It has been conferred for the first time in 1951 to Mr. Paul Anspach of Brussels about whose merits we have written in our last edition.
