the latter part of the seventeenth century, meaning of comic opera as there is about in the dramas with music of Tronverc, the former, being too often bin-rowed and remixed by modern composers, and it is seldom that musical burlesque, conspicuous for its lack of art, was named as a comic opera, but is neither music nor burlesque. The rule, were well rendered, the voices being strained, a result due to forcing the delicate voice of Miss Mulle, and with the picture Is hat. Harry Woodruff is honest as he could, and trusted to the public. He must have betrothed, him to write the trash, and will run straight through the fifty.
