PHILADELPHIA POINTS.

The Phillies’ Western Trip a Satisfactory One—The Record For the Season Weakened by the Swiss Cheese of 1887. The Phillies have returned from the West, where they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from the West, they were turned out larger audiences than any other team to date, and on their return from
