Stis, the little tow-headed second base-

man with the Springfield team last season, is now holding down the same position with the Seattle team. He is putting up a fair game.

On May 22 pitcher Burke, of Aberdeen, held Tacoma to two safe hits, yet lost his game 4 to 2 on two errors.

At Vancouver May 24 Seattle made 14 runs and 16 hits against the local team. All of the runs were made in the first five innings.

Charlie McIntyre, who formerly was with the Butte Club, has been named as manager of Vancouver in place of Parke Wilson, who was forced to resign.

The most sensational game ever played in this league was the Tacoma-Aberdeen game of May 23 at Tacoma. It went to 14 innings, Tacoma winning 1 to 0. Only four hits were made off Delmas, the Tacoma pitcher, and eleven off Starkell.

The Portland team has a shortstop named Shinn and a pitcher named Schimpf.

The San Francisco Club has given pitcher Jay Hughes an unconditional release as his arm is useless.

After pitching his team to eight victories, Carnes, of Los Angeles, met his first defeat of the season at the hands of the Oakland team.

Umpire Derrick, of the Pacific Coast League, was married at Seattle, Wash., on May 20 to Miss Minnie Love, whom he first met in Salem, Oregon.

Pitcher Quick, of San Francisco, on May 22 held Oakland to two hits, yet barely won his game 3 to 2, as his side made only four hits off pitcher Randolph.

Carlisle, the speedy left fielder of the Los Angeles team, gives promise of developing into big league timber. Young Ellis, of the same team, is another player of promise.

Third baseman Charlie Irwin, of the San Francisco team, is the father of a new baby boy. Mrs. Irwin is doing well, and Charlie says the boy will be a cracking good base ball player.

Harry Lee, a youth of Chinese parentage, pitched an eleven-inning game at Los Angeles recently. His team won by a score of 7 to 5. The game was one of a series being played by teams of a high school league.

Owing to injuries Los Angeles has not had its regular team in the field during any game of the season. Notwithstanding its crippled condition the team has held the lead in the race from the start and has held its own, so far, in the away-from-home games.

McCreebie's Portland outfit has been the disappointment of the season. His young players have not shown the form "past performances" gave promise they would. The "Judge" says he will strengthen, and has begun the work by securing Mott to play third. McCreebie has asked that Jimmie McHale and Ben Henderson be blacklisted for jumping their contracts and going over to an outlaw club.

NEW HAMPSHIRE LEAGUE.

Record of the Race and News of Clubs and Players.

Burlington, Vermont, May 25.—Editor "Sporting Life."—With small crowds, due to the unexampled cold weather and the prospect of the early switching of one, and possibly two, teams to pastures new, the New Hampshire State League completes its second week of its first season with the following percentages this morning:

W. L. Pct.	W. L. Pct.
Barre-Montpelier 8 0 1000	Franklin 3 4 .429
Burlington 5 3 .625	East Manchester 3 6 .333
West Manchester 5 4 .560	Laconia 2 4 .333
Nashua 3 3 .500	Concord 1 6 .143

NEWS NOTES.

Bishop, who pitched for Manchester when that team won the championship of the New England League, has been signed by Franklin. He is an experienced player and was once on the Pittsburg reserve list.

Rutland, an old Northern League city, has been offered a franchise if it cares to enter the game. It has no prospects for summer ball otherwise. Manchester, it is said, cannot support two teams and it is the franchise of the East Manchester team which is understood to be on the market.

McConnell, the former Tufts College pitcher, now a student in the medical department of the University of Vermont, signed by Burlington, has refused to play and has been suspended by that team. McConnell fears to jeopardize his standing as an amateur and his chance to make the Vermont team next year.

If Plattsburgh, N. Y., gets a franchise, as now seems likely, the four teams comprising the old Northern League, will be in the running. Burlington, Barre-Montpelier, Rutland and Plattsburgh. Concord has not got away from the past fast and that may be the franchise that will be switched to New York, although others say that if this fails Laconia may be glad to throw up the sponge.

Daley, of the Intercity, one of the most astute managers in the circuit, is cutting a wide swath down the games won column, having to meet first defeat with a record of eight straight right off the reel. Barre-Montpelier is credited with the fastest pitching staff in the league. It includes Wherry, who played under the name of Warner in the Northern League last season. He was at the University of Illinois and a companion pitcher with Pfeffer, who is making good with the Boston Nationals this season.
