History of Eastern Handicap

The Eastern Handicap of the International Association has been in progress for eight years and, like the Grand American event, it has yet to be won twice by any one shooter. In truth of Northampton, Pa., won the championship this year at Wilmington, was the eighth winner of this subsidiary handicap. The record of the Eastern Handicap events, including the 1913 tournament, follows:

1906—Philadelphia, Pa., 141 starters, won by H. H. Butler.
1907—Boston, Mass., 141 starters, won by W. H. Du Pont.
1908—Baltimore, Md., 141 starters, won by H. H. Butler.
1909—Buffalo, N. Y., 118 starters, won by W. F. A. Moore.
1911—Buffalo, N. Y., 135 starters, won by H. H. Butler.
1913—Wilmington, Del., 36 starters, won by H. H. Butler.

The event was not made in the Handicap until the afternoon, it being a foregone conclusion that the record being responsible for the necessity of completing the event on Thursday, although a large entry was also responsible. The scoring was devoted to a 100-target sweepstake and the net handicap division was won by W. F. A. Moore, who won the championship this year at Wilmington, was the eighth winner of this subsidiary handicap. The record of the Eastern Handicap events, including the 1913 tournament, follows:

1906—Philadelphia, Pa., 141 starters, won by H. H. Butler.
1907—Boston, Mass., 141 starters, won by W. H. Du Pont.
1908—Baltimore, Md., 141 starters, won by H. H. Butler.
1909—Buffalo, N. Y., 118 starters, won by W. F. A. Moore.
1911—Buffalo, N. Y., 135 starters, won by W. F. A. Moore.
1912—Philadelphia, Pa., 141 starters, won by H. H. Butler.
1913—Wilmington, Del., 36 starters, won by H. H. Butler.
